Hi all,

I provided a budget breakdown of the \$25k to Marcelo yesterday but am not sure how it lines up with EPA's format.

Marcelo, let me know if you need more help with this budget.

Hi Marcelo,

Thanks for talking this afternoon. As we discussed, we need an updated SF 424, 424 A, and budget detail to reflect the additional \$25,000 SMNEP will receive for source reduction and EPS/bag ban monitoring work as well as \$25,000 match for a total of \$1,250,000.

Also, attached is the memo you wrote last year regarding refreshments for meetings. Is this still up-to-date? Does it include potential refreshments for additional meetings related to the BRP revision?

Best,

Erica
